Read the following letter from R.H. Ellis Esquire, I.C.S., Collector of South Kanara, Ref. on C. No. 2592/Rev/20, dated the 6th August 1920:-

Resumption - alienation - S.Nos. 111/2A-2D - Gundmi village - Sanctioned in favour of St. Peter's Church, Barkur.

(J)

In G.O. No. 734, Revenue, dated the 21st February 1918 communicated with B.P. No. 352 Mis., dated

the 7th March 1918, the Government sanctioned the alienation of the plots referred to above in favour of the St. Peter's Church, Barkur for use as a cemetery and for purposes of a church and its appurtenances. The grant was made subject to the condition that the church should be - built within two years from the date of the grant. The period allowed has already expired, but the land is in the same condition in which it was when it was alienated. The construction of the church has not yet been begun and the land has not even been enclosed. The Catholic Priest of Barkur who was asked to show cause why the plots should not be resumed requests that either the time allowed for the construction of the church may be extended by two years or the plot may be granted on darkhast. As no steps whatever appear to have been taken even to collect funds, I - recommend that the plots may be resumed.
